The correct Citrix Receiver App should come up for you whether it is Windows or Mac

Choose the Download Receiver Button

The screenshot shows a web browser window at the URL <http://www.citrix.com/go/receiver.html>. The page features the Citrix Receiver logo and the headline "Access apps and desktops on any device". Below this, a paragraph describes Citrix Receiver as easy-to-install client software for XenDesktop and XenApp. A red arrow points to a blue button labeled "Download Receiver 4.3 for Windows". The background of the page shows a smartphone, a tablet, and a laptop, all displaying the Citrix Receiver application interface. At the bottom of the page, there is a section titled "About Installing Citrix Receiver" with a dropdown menu that says "Where can I download Citrix Receiver on other platforms and devices?". The Windows taskbar at the bottom shows the time as 12:43 PM on 7/6/2015.

CITRIX® Receiver

Access apps and desktops on any device

Citrix Receiver is the easy-to-install client software that provides access to your XenDesktop and XenApp installations. With this free download you can access applications, desktops and data easily and securely from any device, including smartphones, tablets, PCs and Macs.
