AFP Awards honor Healthcare Foundation and its Donors

SARASOTA – Sarasota Memorial Healthcare Foundation, Inc. received the Outstanding Foundation or Civic Organization Award at the Association of Fundraising Professionals (AFP) Southwest Florida Chapter's annual National Philanthropy Day luncheon on Nov. 18, 2008, at Michael's On East. Nominated by Susan Terry, president and CEO of the Community AIDS Network (CAN), the Healthcare was honored to be recognized with this award.

In addition, Healthcare Foundation President, CEO and Trustee Alex Quarles was proud to present the Outstanding Individual Philanthropist award to Charles Stottlemeyer. Sarasota Memorial Healthcare Foundation, Inc., along with The Argus Foundation, Pines of Sarasota Foundation and the Van Wezel Foundation nominated Stottlemeyer for this award. A former Sarasota Memorial Healthcare Foundation trustee, Stottlemeyer has been a community leader and a driving force behind many of the community's most successful fundraising efforts. He and his wife Dee have been at the root of making Sarasota a vibrant community.

"I have been privileged to know Charlie and Dee Stottlemeyer for many years. Their dedication to the betterment of our community is endless. Sarasota is fortunate to have such generous and devoted philanthropists," states Quarles.
