

BRUCE MAYER FLEEGLER, M.D.

CURRICULUM VITAE

OFFICE ADDRESS: Lung Associates of Sarasota
1895 Floyd St.
Sarasota, FL. 34239

EDUCATION: 1961-65 B.A. Brandeis Univ.
1965-69 M.D. Univ. of PA.
2002-03 Masters in Medical Management
Carnegie Mellon Univ.

POSTGRADUATE TRAINING AND FELLOWSHIP APPOINTMENTS:

1969-70 Intern, Medicine, Univ. of
Maryland Hospital, Baltimore, MD.
1970-72 Resident, Internal Medicine, Univ.
of Miami Affiliated Hospital,
Miami, FL.
1972-73 Fellowship, Pulmonary Diseases,
Hospital of the Univ. of PA.,
Philadelphia, PA.

MILITARY SERVICE: 1973-75 Cutler Army Hospital, Fort Devens,
MA., Internist and Pulmonary
Consultant

FACULTY APPOINTMENTS: 1975-76 Associate in Medicine, Department of
Medicine, Division of Pulmonary
Disease, Univ. of PA., School of
Medicine
1976-80 Clinical Assistant Professor of
Medicine, Univ. of South FL.
2006-
present Clinical Assistant Professor of
Medicine, Florida State University
College of Medicine

SPECIALTY CERTIFICATION: 1972 American Board of Internal Medicine
1976 American Board of Internal Medicine,
subspecialty, Pulmonary Disease
(no time limitation)
1980 Recertification, American Board of
Internal Medicine (no time limit-
ation)
1987-1997 American Board of Internal Medicine,
special qualifications in Critical
Care Medicine
1992-2002 American Board of Internal Medicine,
special qualifications in Geriatrics
1996-2007 Recertification, American Board of
Internal Medicine, special qualifi-
cations in Critical Care Medicine
2008-2017 Recertification American Board of
Internal Medicine, subspecialty of
Critical Care

LICENSURE: Florida

MEMBERSHIPS IN PROFESSIONAL AND SCIENTIFIC SOCIETIES:

Fellow, American College of Chest Physicians
Member, Society of Critical Care Medicine

PRIVATE PRACTICE: Lung Associates of Sarasota, 1976 to present

CHIEF OF STAFF: Sarasota Memorial Hospital 1997-1998

CHIEF MEDICAL OFFICER: Sarasota Memorial Hospital July 2003-Dec 2005
(Directly supervised Depts of Quality, Risk Management, Medical Staff Affairs, Clinical Research, and Medical Library)

HOSPITAL APPOINTMENTS: Sarasota Memorial Hospital, 1976 to present
HEALTHSOUTH Rehabilitation Hospital,
1986 to present
HEALTHSOUTH RIDGELAKE, long term acute care
Hospital

RESEARCH:

Clinical Research Center
1425 S. Osprey Ave., Suite 7
Sarasota, FL. 34239

CLINICAL RESEARCH EXPERIENCE:

Sub-Investigator (Clinical Research Center of Sarasota Memorial Hospital). Bayer Drug Study #98-PULM-45. Prospective, randomized, double-blind, multicenter comparison of the safety and efficacy of Moxifloxacin 400 mg QD for five days versus Azithromycin 250 mg QD (500 mg QD on the first day) for five days in the treatment of acute exacerbation of chronic bronchitis. Protocol #100160. (December, 1997-February, 1999)

Sub-Investigator (Clinical Research Center of Sarasota Memorial Hospital). Bayer Drug Study #99-PULM-55. Prospective, randomized, double-blind, multicenter comparison of the safety and efficacy of Moxifloxacin 400 mg QD for five days versus Levofloxacin 500 mg QD for seven days in the treatment of acute exacerbation of chronic bronchitis. Protocol #100243 (October, 1999-May, 2000)

Sub-Investigator (Clinical Research Center of Sarasota Memorial Hospital). Bayer #00-PULM-39. Prospective, randomized, double-blind study comparing Faropenem Daloxate 300 mg PO BID for 5 days with Azithromycin for 5 days (500 mg PO day 1, then 250 mg PO QD days 2-5) in the treatment of patients with acute exacerbation of chronic bronchitis. Porotocol #100291 (December, 2000-Present)

Sub-Investigator (Clinical Research Center of Sarasota Memorial Hospital). #99-PULM-47. A Phase II, multicenter, randomized, double-blind, placebo-controlled, parallel group, dose-ranging evaluation of the safety and efficacy of a-hANP infusion (Carperitide for injection: SUN 4936) in patients with acute respiratory distress syndrome (ARDS). Protocol #SPI-001 (July, 2000-Present)

Sub-Investigator (Clinical Research Center of Sarasota Memorial Hospital). A one-year randomized, double-blind, placebo and active-controlled parallel design safety and efficacy comparison of COMBIVENT HFA Inhalation Aerosol to COMBIVENT CFC Inhalation Aerosol in patients with COPD. (November, 2000-Present)

Sub-Investigator (Clinical Research Center of Sarasota Memorial Hospital). #00-MEDI-21. A randomized, open-label, pilot assessment of the effect of Protonix Iv for injection (Pantoprazole Sodium) on gastric Ph in ICU patients. (August, 2000-Present)

Sub-Investigator (Clinical Research Center of Sarasota Memorial Hospital). A randomized, multicenter, open-label trial comparing intravenous Zithromax (Azithromycin) plus intravenous Rocephin (Ceftriaxone) followed by oral Zithromax (Azithromycin) with intravenous Levaquin (Levofloxacin) followed by oral Levaquin (Levofloxacin) for the treatment of moderate to severely ill hospitalized subjects with community-acquired pneumonia. Protocol #A0661035 (December, 2000-Present)

Sub-Investigator (Clinical Research Center of Sarasota Memorial Hospital). A randomized, double-blind, multicenter study to evaluate the effect of adding either Montelukast Sodium or Salmeterol Xinafoate to inhaled Fluticasone in adult asthmatics. (February, 2000-December, 2000)
