

Why Families Choose Sarasota Memorial Nursing and Rehabilitation Center

As Sarasota Memorial's 120-bed Skilled Nursing and Rehabilitation Center, we provide comprehensive, person-centered care and support, including:

- **Expert Care:** Full-time medical staff, including physicians and APRNS providing exceptional primary and specialty care
- **Seamless Transition:** Smooth transitions from the hospital, with physicians and care teams who have direct access to your hospital medical records.
- **Comprehensive Rehabilitation:** Physical, occupational, and speech therapy available 7 days a week.
- **24-hr Skilled Nursing Care:** Including IV therapy, post-surgical care, wound care, and other specialized services.
- **Focused on You:** A collaborative, individualized approach focused on helping each person achieve their highest level of independence, function, and well-being.

Sarasota Memorial Nursing and Rehabilitation Center

What to Expect

Whether a resident comes for a short stay or to make Sarasota Memorial Nursing and Rehabilitation Center your new home, you'll find a welcoming, comfortable environment paired with high-quality care and nationally recognized skilled nursing and rehabilitation services.

When you arrive, a nurse and nursing assistant will welcome you, complete your intake and review your medical information. Our therapy team will then work with you to develop a personalized treatment plan focused on your needs and goals. Throughout your stay, a physician affiliated with Sarasota Memorial's First Physician's Group will be on-site five days a week to assess and monitor your care.

What to bring:

- ✓ Comfortable clothes
- ✓ Undergarments
- ✓ Sneakers and socks
- ✓ Pajamas and robe
- ✓ Toiletries
- ✓ Eyeglasses and hearing aides
- ✓ Small personal mementos such as photos

What NOT to bring:

- ✘ Valuables such as jewelry or electronics
- ✘ Medications (over the counter/ prescription)
- ✘ Creams
- ✘ Ointments
- ✘ Powders
- ✘ Large amounts of cash (we do offer a lock box)

Our dedicated nurses and nursing aids provide comprehensive nursing services 24-hours per day, with additional support and specialized care available from our full-time wound care nurse. Physical, occupational and speech therapy are available seven days per week, and a registered dietician will work to meet your dietary preferences and create a customized meal plan.

Other support services include:

- The activities team provides programs for enrichment and entertainment.
- The business office will assist you in understanding your insurance plan and financial obligations.
- Social Services team members will help you and your family plan a safe discharge.

The team at Sarasota Memorial Nursing and Rehabilitation Center is happy to welcome you, and we look forward to helping you meet your goals! Your care is our number one priority!

Our admissions team is available to answer your questions and can be reached at (941) 917-6197.
